

Supply chain  
labourhire specialists

proudly supporting

As previously communicated to you, Labourforce is a proud sponsor of Healthy Heads Trucks & Sheds (HHTS) which is a not for profit foundation founded by well-known Australian businesses.

Being a proud sponsor and supported of HHTS we like to acknowledge and promote 17<sup>th</sup> May as their first **R U O K in Trucks & Sheds** day. This day is to promote HHTS, its resources and wellness app which everyone can download and access. The app contains a lot of resources and information such as stretching exercises as well as other overall wellness tips and information which is available to everyone within Australia and New Zealand.

So on the 17<sup>th</sup> May  
ask a colleague  
**RUOK.**

Regards

Labourforce  
Management
